Unveiling of the Red Tail Time Capsule Qantas Founders Museum, Longreach

Dear fellow 'Red Tailers',

As you are aware the last part of the Qantas Centenary celebration is to install and seal the time capsule at the Qantas Founders Outback Museum in Longreach. Many of you have provided memorabilia to be included in the capsule and with that the committee is pleased to announce that the Installation and Sealing Ceremony has been set at the museum for Wednesday, 24 May this year.

Though not anticipated to be of the scale of the Centenary Reunion two years ago, we would welcome seeing as many of you there as possible, including any 'Grey Nomads' who may be re-enacting their own road survey for the proposed mail route back in 1919, or in the vicinity and need a reason to detour to LRE, you'll know where to hang your hats.

The Event: Qantas Time Capsule Commemorative Sealing

Location: Qantas Founders Outback Museum, Longreach

Date: Wednesday, 24 May 2023

Time: 11:00 for 11:30, followed by lunch (admission free of charge to registered guests, lunch at guests expense as selected from the museum's restaurant menu). Event concludes at 12:30.

As you know, Longreach being a small town with limited facilities and a post-COVID inbound tourism market on the rebound, it can be a challenge to access by air and to obtain accommodation. But with the cooperation of Qantas, the Qantas Founders Outback Museum and Outback Pioneers the committee and their able network of 'doers' have been able to secure the following limited offers for Red Tail Reunion members considering attending.
