Longreach Grand Milestone Event Postponed to April 2021 as a Result of Coronavirus

With the continued fluid developments around the Coronavirus pandemic, and the uncertainty of any solution in the short term, the Foundation Committee with the support of Qantas, The Qantas Founders Museum and Outback Aussie Tours have made the difficult decision to postpone our Grand Milestone Event at Longreach in May 2020.

New dates are planned for the weekend of 24 April 2021 pending confirmation from our partner suppliers. All current package options are expected to be available.

We have been monitoring the situation with our partners on a daily basis. This action is regrettable and we are all naturally disappointed, however the wellbeing of our Members and Outback partners is a priority. It is indeed a very challenging time for the industry and we appreciate your understanding and support.

Over the next 30 days, the team at Outback Aussie Tours will be in contact with members who have booked for this year's event with formal advice and guidelines for rebooking and cancellation. Your patience and understanding is requested.

We know that you share our thoughts for our much loved industry during these difficult times and look forward to helping them bounce back quickly with a great event in 2021.
