

OUR FINAL JOURNEY TO LONGREACH FOR THE SEALING OF THE RED TAIL TIME CAPSULE

Join us on Thursday, November 16, 2023, at the Qantas Founders Museum in Longreach for a momentous occasion—the sealing of the Red Tail time capsule. This event, steeped in heritage and innovation, encapsulates the Spirit of Qantas, celebrating our iconic Australian airline and represents the pioneering journey of Qantas.

The full Qantas Museum board, meeting at this time, will join us for the capsule sealing, adding historical significance to the occasion.

We will carefully preserve a collection of artifacts and memorabilia that you have kept for decades and donated to be sealed in the capsule. Set against the backdrop of aviation history, this time capsule bridges eras, preserving the legacy of Qantas for future generations.

We extend a warm invitation to all Red Tailers and partners to join us in this meaningful ceremony, commemorating **OUR** contribution to the remarkable Qantas journey.

Your presence will enrich this moment as we secure our past for the appreciation of future generations of Qantas staff.
