Join us on our journey....

Ex Brisbane from \$790 per person twin share  
Ex Sydney from \$917 per person twin share

Celebrate Qantas' centenary in the Queensland heartland towns of Longreach and Winton between 08-11 May 2020. This Grand Milestone Event is of major significance to our Red Tail Chapter Members, a journey back to where the story of Qantas began.

**Don't miss out on our Grand Milestone Event at  
Longreach – [Click here to register now!](#)**

## **Book Early - [Click Here to access the packages:](#)**

The train from Brisbane to Longreach is fully booked but the return leg still has sleepers available. The 737 charters and coach have availability both ways, so we urge you to start making your bookings.

This trip to Longreach to celebrate Qantas's 100 years will be a once in a lifetime experience for all of us. So reach out to your fellow QF colleagues and start making plans to be at this historical event.

Qantas has embraced this Red Tail event and will be well represented at Longreach.

**UPDATE:** With the Christmas festive season upon us and 2020 fast approaching we ask you to consider the planning of your trip to Longreach to help celebrate Qantas' centenary.

The social program we have developed promises to give you a quintessential outback adventure.

**Friday** - For the first-time travellers to the outback, the live 'Outback Stockman's Show' at the Australian Stockman Hall of Fame tells the story of real-life stockmen and women who work on the land. You will be able to watch this fabulous show while enjoying a great Aussie BBQ.

**Saturday** – The afternoon kicks off at the Qantas Country Races. This will be a fantastic afternoon to mingle with the locals and experience a truly memorable day at the racetrack. For locals the Country Race Days are a fabulous day out and are a large part of the town's social calendar.

The new \$14 million Qantas Founders Museum's Airpark Roof Project is well and truly on schedule to be completed by mid-April 2020 ready to host our dinner 'Under the Southern Cross' on Saturday night. This amazing structure will create a unique night experience using sound and light projected onto the fuselage of the iconic Boeing 747, Boeing 707, Super Constellation aircraft and an 8072m2 roof.

**Sunday** - In the morning, we take a drive up to Winton to visit The Australian Age of Dinosaurs Museum which is home to the largest collection of Australian dinosaur fossils in the world, followed by a stop at the Waltzing Matilda Centre and culminating with a lunch at the Winton Club where Qantas held its first board meeting.

During your stay in Longreach you will have full access to the Qantas Founders Museum and the Australian Stockman Hall of Fame to experience these venues at your own leisure.

## Festive Greetings

From the Foundation and Chapter Committees, we wish you a Merry Christmas and a Happy New Year. May you all have a safe and joyful time with family and friends. We look forward to seeing you in 2020.
